

PRODUCT CODE : 4100**PRODUCT DESCRIPTION**

Millers Foods Bakers Flour 1100 is milled from a carefully selected blend of West Australian Hard and Premium White wheats with an average protein content between 12% and 12.5%. During the milling process 1% of the protein content is removed with the outer bran layer leaving flour with a minimum protein content of 11% and a typical range of 11% to 11.5%. This flour is ideal for the production of sliced sandwich bread, soft and crusty rolls, puff pastry and fruitcakes.

EAN CODE 9 330389 001086**PACKAGING**

Pack Size 12.5 kg
Bag Style Block bottom, valve filled
Bag Colours White Millers Foods bag with grey detail (Pantone 444).
Bag Construction 2 ply 1 x 80 BSE (Bleached) + 1 x 80 FK (Brown)

BATCH IDENTIFICATION

Running Numerical (Batch No. & Best Before Date.)

PRODUCT CHARACTERISTICS

Appearance Free flowing powder
Colour Off white
Taste Free of offensive taste
Odour Free of offensive odours

CHEMICAL PROPERTIES

Moisture 14.2 % max
Protein 10.8 % min

QUALITY ASSURANCE

Strict quality control procedures are enforced during manufacture. The manufacturing environment is subject to strict monitoring and control in accordance with HACCP certification requirements. Final product is sampled and tested for chemical, physical and sensory parameters using internationally recognised testing procedures.

STORAGE AND HANDLING

This product should be kept in a cool, dry, ventilated place free from strong odours. Packages should not be in direct contact with walls or floors. Stock should be used in rotation.

SHELF LIFE

Under good housekeeping and the suggested storage & handling conditions this product in unopened bags has a shelf life of nine months from the date of manufacture. See best before details on each bag.

PRODUCT CODE : 4100
