

PRODUCT CODE : 4571**PRODUCT DESCRIPTION**

Millers Foods Easter Bun Premix is a strong bread making flour with just the right levels of enrichment to produce excellent eating bun products. This mix has been formulated for ease of handling in the dough form, and to produce baked goods with superior softness and keeping qualities.

GTIN CODE 9 330389 001376**PACKAGING**

Pack Size	15 kg
Bag Style	Block bottom, valve filled
Bag Colours	Brown Millers Foods bag with grey detail (Pantone 444), Printed product details.
Bag Construction	2 ply 80gms High Porosity Kraft (Brown)

BATCH IDENTIFICATION

Running Numerical Bag Serial No. & Best Before Date on bags. Batch number for Pallet

PRODUCT CHARACTERISTICS

Appearance	Free flowing powder
Colour	Off white
Taste	Free of offensive taste
Odour	Free of offensive odours

CHEMICAL PROPERTIES

Moisture	14.2 % max
Protein	10.0 % min

QUALITY ASSURANCE

Strict quality control procedures are enforced during manufacture. The manufacturing environment is subject to strict monitoring and control in accordance with HACCP certification requirements. Final product is sampled and tested for chemical, physical and sensory parameters using internationally recognised testing procedures.

STORAGE AND HANDLING

This product should be kept in a cool, dry, ventilated place free from strong odours. Packages should not be in direct contact with walls or floors. Stock should be used in rotation.
